

# Underground Magic

*underground - alternative, radical, revolutionary,  
unconventional, avant-garde, innovative....*

*magic - noun the power of apparently influencing the course  
of events by using mysterious or supernatural forces....*

Spelmann presents his underground magic which is a revolutionary alternative form of entertainment. Finally the tired image of a magician has gone, dressed in only a t-shirt & jeans, with no sleeves, suspect suits, top hats or rabbits. Underground magic is as raw as it is real.

Spelmann has performed his underground 'street style' magic in Las Vegas, New York, Chicago, Monaco and London, at corporate events, weddings, private parties in fact anywhere where they want something different. What he achieves is visual, impossible and ultimately intriguing for anyone who witnesses his unique close up magic performances.

Thoughts are predicted, metal bends like rubber and objects move by unseen forces under test conditions. Spelmann will shock, astonish, mystify & amaze, he is being described as one of the most unique performance artists currently available.
